Notes:

UP TO 3 ITEMS may be covered per contract. Only 1 may be a CPU. You may group up to 3 printers/peripherals on one contract. To calculate the selling price of an item, add up all the internal components.

Customers receive on site service for PC's and Servers over \$ 400. Laptops must be carried or shipped in. Printers over \$ 1200 receive on-site service.

All other peripherals must be carried in or shipped in for service, at the customer's expense.

Consider replacement coverage for equipment less than \$ 400.

Manufacturers are responsible for parts and labor during their warranty period.

If a product qualifies for on-site service, but a service provider is not available within 50 miles of the customer, we will pay 2-day freight charges both ways for the item to be shipped to a service provider.

Coverage begins on the Purchase Date of the equipment.

PROOFS OF PURCHASE are required.
